PREFACE.

This compilation of ordinances of the City of St. Paul, Minnesota, has been made pursuant to the provisions of Ordinance No. 1834, approved Sept. 4, 1895, and Ordinance No. 1861, approved Jan. 10, 1896. (See following page.)

The compiling, indexing and preparing for publication have been done by John A. Giltinan, Esq., under the supervision of the Law Department; and, although this work has been done with very great care, a more generous limit of time than the three months allowed by Ordinance 1834 would have given the opportunity for improvement.

In the citation of ordinances at the end of the consecutive sections, the date refers to the passage of the ordinance unless the word "approved" appears. In referring to ordinances passed since the dual council began to act in May, 1891, the date refers to the final passage.

In the part of the book containing "Private Ordinances of a Public Nature," it was, as a rule, thought best to make each ordinance a consecutive section.

E. J. DARRAGH,
Corporation Attorney.
